

Plan to attend: SEA General Membership Meeting - Aug. 23, 4:30 p.m., Shoreline Room, Shoreline Center.

Greetings SEA members,

SEA bargainers worked late into the night on Tuesday, and then met again for several hours as a team on Wednesday. We do not have a contract settlement. Our SEA Executive Board also met Wednesday. Our next bargaining session with the school district is Friday morning.

Tomorrow's (Thursday, Aug. 23) SEA general membership meeting is crucial. All SEA members should attend. We'll be hearing the latest bargaining status, considering a member action plan and showing our commitment to getting the best contract we can.

As promised, here are key messages you can share with the community:

- SEA and SESPAs are fighting for the future of Shoreline.
- Shoreline students and staff must be the district's top budget priority.
- Shoreline students and educators shouldn't have to pay the price for years of fiscal mismanagement by district administrations.
- It's time for the Shoreline School Board to offer educators a contract they can ratify.

The SEA Bargaining Team and I look forward to seeing you at 4:30 p.m. Thursday, Aug. 23 at the Shoreline Center. (The SEA Bargaining Support Team is meeting at 2 p.m. at the same location.)

Elizabeth
